

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to providing top quality and new design concepts to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They like offering items which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements combined with their knowledge of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

The employees at TREK and their dealer-partners are really committed to having both parts and technical support available when it is required. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning machines functioning and ready daily is top priority. The company's top of the line technology delivers dependable machinery that ultimately lessens your cleaning cost. The service, the product and the price all work together to make them an industry leader.
